Dear Parents/Carers

Exciting Learning Opportunity for Your Child

We're delighted to let you know that your child has the opportunity to attend SATs revision sessions. These sessions will take place after school on Thursdays from **3:00pm to 4:15pm**.

Starting on: Thursday 5th November 2026

Maximum Students : 20

During each session, your child will have the opportunity to work through their SATs revision book in a quiet learning environment, with an adult on hand to provide support when needed. This half term, we will be focusing on **Mathematics**, and in the Spring term, we will focus on **Reading** and **SPaG (Spelling, Punctuation and Grammar)**.

Each week, we will concentrate on specific areas of learning, allowing pupils to build confidence, practise key skills, and consolidate their understanding.

We're confident that this intervention will make a real difference to your child's mathematical understanding and enjoyment of the subject.

If you would like to discuss these sessions further or have any questions, please do not hesitate to contact me. We are always happy to talk about how we are supporting your child's learning. Please note that places for these sessions are limited. We would therefore appreciate an early response and good attendance throughout the programme.

Best wishes

Mrs Lorraine Brooks
Raising Standards Leader
